

Australian racing - A Track Gold Coast (9:23)

1st SCOUT Was outclassed in the Group III Ken Russell at the Gold Coast last start but is better placed here and his fourth in a Saturday race at Eagle Farm two back is a solid form reference for the midweeks. LYRICAL GIRL Improved considerably at her second career start when a half-length second at the Sunshine Coast and any further improvement would see her right in the finish. MISSIONARY BAY Was well backed when third at Murwillumbah on debut and deserves consideration with the benefit of race experience. ALLO ALLO Resumes without a trial and any market moves should be respected. **1-5-3-7**

2 SET TO SIZZLE Finished runner-up at Lismore resuming last start and is the top rater fitter second-up in an open race. LUCKY FIX Has been placed in three of his seven starts to date and ran his best race to date when a close second at Beaudesert last start. He's close to a win. POTRO DURO Improved considerably last start when runner-up at the Gold Coast and only has to repeat the effort here to be right in the mix. EXPLODING STAR Hasn't been far from the winner in two runs this preparation and goes in all the exotics peaking third-up. **3-1-2-6**

3 CONSTRUE Is a likely improver having her second Queensland start for Chris Waller. Her NSW form is good enough for a race like this including a runner-up finish at Wyong last preparation and she will appreciate stepping up in distance. WICKED HEIGHTS Has finished runner-up in his two runs this time in at Ipswich and the Sunshine Coast. Looks close to a win and rates as one of the key chances. GRATUITOUS Was placed in four of her six runs last preparation and should be close to her peak having her third run this time in. QUOTANT Finished midfield last start at Ipswich on a soft track. Expected to settle off the speed and drops in weight. Well placed. **9-1-5-11**

4 CHURNING Was an Ipswich winner resuming two back and was only two and a half lengths from the winner in the Listed Gold Coast Guineas last start, that's a solid form reference for the midweeks. SKATE TO PARIS Wasn't far from the winner in the Gold Coast Newmarket last start and has a good record this trip. Only needs to be close to right on the back of an eight-week break between races to be in the mix. DINNIGAN Was placed at Murwillumbah last start. She's a Group III placed mare who is a must for the wider exotics. REEF KNOT Hasn't missed a place in last five starts including successive wins at Toowoomba and Ipswich before a runner-up finish at the Sunshine Coast last start. There is nothing to suggest she won't be in the finish again. **5-3-4-1**

5 VIRAL Was well beaten in the Listed Queensland Day Stakes at Doomben last start but his effort when less than three-lengths from the winner when resuming in a Saturday race at Eagle Farm two back is a solid form reference for the midweeks and he is unbeaten in two runs at the track and distance. JOHNNY WHITESOX Didn't have much luck resuming at Eagle Farm last start. He'll be all the better for the run and is drawn to get all the favours in running here launching from an ideal gate. RULER Made it two wins from 13 starts when a strong winner at the Gold Coast last start . **7-1-5-8**

6 ADDOCARR Worked home nicely when runner-up at Eagle Farm resuming last start. Will derive plenty of benefit from the run and gets the chance to go one better. DIAMOND ACCOUNT Has been in the placings all four runs this preparation and only needs even luck in running from the awkward gate to be in the finish again. ALL SHIRAZ Did enough when a three-quarter length second at Ipswich resuming last start to suggest she will be right in the finish with the run under her belt. BRAHMA ARMOUR Hasn't been able to win in eight starts but rarely far away including a close second at the Gold Coast last start and is a must for the wider exotics. 1-11-10-2

7 OUR SUNNY GIRL Took ten starts to win her maiden which she did in emphatic fashion at Cranbourne last start and it would be no surprise to see her go on with the job after a confidence boosting win. GRAND BOUQUET Was far from disgraced in the Listed Gold Coast Bracelet last start and her strong win at Wyong two back was a solid pointer for this. She's right in the mix. DOWNLOADING Hasn't been far from the winner in recent starts and is worth including in the wider exotics. CLEVER BLAZE Has been placed at Ipswich and the Gold Coast at last two starts and has bright place prospects again. 9-3-4-2

8 SPANISH HURRICANE Is racing consistently with wins at Ballina and the Gold Coast this preparation and runner-up finishes at the Gold Coast and Sunshine Coast at last two starts. He's as good a chance as any in an open race. WINDERMERE Made it two wins from eight starts with an Ipswich win last start. Still has scope for improvement and is right in the mix again. MAHIS ANGEL Was outclassed in a Listed race at Doomben last start but he was a Caulfield winner last preparation and does look well placed at the midweeks. MR DUMONT Has been placed three of last four and is a must for the wider exotics. 2-6-1-3

9 MY DELILAH Resumes without a trial but won two races last preparation and would only need to be close to right to be the one to beat. LADY I AM Hasn't been far from the winner in her two Queensland starts. She's ready to win peaking third-up. HACKSAW RIDGE Has hit his straps in recent starts winning successive races this track and distance. The 59kg looks the only concern. CHIKORITA Found the Listed Queensland Day Stakes beyond him last start but stays under notice on his third at Eagle Farm two back in Saturday company
